 PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1	<u>Mandatory Condition #2:</u> The defendant shall not commit another Federal, state, or local crime.

Supporting Evidence: On or about April 1, 2013, Franklin Randall was arrested for driving under the influence and third degree driving with license suspended, Union Gap Police Department (incident number 13U001468).

According to an incident report from the Union Gap Police Department, on April 1, 2013, at approximately 12:12 a.m. a traffic stop was conducted on a vehicle which was traveling without the headlights turned on. Upon contacting the driver, who was subsequently identified as the defendant, the officer detected a strong odor of alcohol coming from within the vehicle. Mr. Randall admitted to driving without a driver's license and stated the only reason he was driving was because he was only partially drunk and his friend was too drunk to drive. The defendant voluntarily agreed to perform field sobriety tests, which he failed. He was then arrested and booked into the Yakima County Jail. At the jail, the defendant provided two breath samples which registered a blood alcohol content level of .164 and .159 respectively.

The defendant appeared in Union Gap Municipal Court (case number 40800) on April 1, 2013, and bail was set at \$1,000.

Special Condition #16: You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

Supporting Evidence: On or about April 1, 2013, Franklin Randall consumed alcohol as noted in violation 1.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
